September 4, 2018

## Important Dates

September 9 St. Mary Church Festival  
September 25 Two Hour Delay  
September 26 School Pictures

## Classroom News

Our first full week of school went well. The children are getting used to our classroom routines and procedures. I am excited that our year is starting so well.

Homework this week will be spelling word practice page and Reading Kit. As stated in the Parent Handbook and Parent Orientation, the Reading Kit needs 4 book titles in each reading log. Reading Log and spelling practice page are due Thursday. Math Homework and Practice pages are due the next school day.

Have a great week!

## 7 Habits of Happy Kids

We are learning about what is means to be a leader. Most importantly, anyone can be a leader.

## What We Are Learning

Reading: We are working on identifying vowels and consonants. We are also working on decoding words using vowel patterns.

Math: We are learning to add using different strategies

Writing: We are learning about putting spaces between words in a sentence, capitalization and proper punctuation for sentences.

Science: We are learning about our brains and how we are all different. We learn differently too. We are also are learning about tools scientists use.

Social Studies: We are learning about what a good citizen does.

Religion: We are learning that God created our world.
